Until further notice;

Pupils from the Walsden, Todmorden etc area, regrettably there is no viable alternative we can put in place to ensure pupils arrive at school on time or close to on time.

We would suggest using the train to Hebden Bridge station, we can ensure our bus calls at the station to collect any pupils'. This bus would depart at 07:40.

Alternatively, pupils can use the Route 44 coach departing from Altham's Travel, Church Street, Littleborough at 07:50.

The Route 11 school bus service will commence from the bus stop at King Street / Church Lane at 07:35 (usual time) opposite the Heptonstall turning circle.
