With effect from Wednesday morning (14th November 2018) and until further notice;

Pupils from the Walsden, Todmorden etc areas, there is no viable alternative we can put in place to ensure pupils arrive at school on time or close to on time.

We would suggest using the train to Hebden Bridge station, we will ensure the school bus then collects any NHGS students. The bus will depart at 07:30.

The service will commence from the bus stop at King St / Church Lane at 07:20 (usual time) opposite the Heptonstall turning circle.
