

Luxury travel by luxury coach... the better way to get away

Safety Information

- 1 Seat belts are fitted in this vehicle, you are required by law to wear these whilst seated.
- 2 Keep the centre aisle and emergency exits clear of bags and other items at all times.

Heavy items of hand luggage should be placed under your seat. Lighter items can be placed in the overhead storage provided - be careful when using this facility as items may fall.
- 3 On most coaches the emergency exit doors are located at the front and rear. On some coaches there may be a central exit instead of a rear door. To operate these doors please follow the instructions on the door control.
- 4 An emergency exit window is also provided on this coach. To use this exit, please use the hammer provided and strike the window in the corners (as indicated X) then push out the glass.
- 5 A first aid kit and fire extinguisher are located at the front of this vehicle and can be identified by the sign indicated.
- 6 For the comfort of all our passengers, smoking is **NOT** permitted on board this coach.
- 7 Please try not to disturb other customers when you use a mobile phone, play electronic games or listen to music via headphones.
- 8 In the case of emergency, follow the instructions of the driver quickly but calmly.
