AMENDED BUS ROUTE

Dear Parent / Guardian

Over recent years Yellowway Coaches have operated 3 midi-coaches from Ripponden Centre then onward up Rochdale Road, collecting along the route to Nursery Lane. The vehicles then turn right and head toward The Beehive Pub onward to Ryburn Valley High School. The route is then operated in reverse on the way home. However, due to ever increasing passenger numbers it has been decided that from September 2017 the vehicles will now take the following route.

- ✓ One 32 seat coach will commence the route from the top of Nursery Lane and head towards The Beehive Pub, it will then travel onward to Ryburn Valley High School. This route will then operate in reverse order on the way home.
- ✓ One 70 seat coach will commence the 'amended route' from the junction of Hollin Lane / Rochdale Road travelling past Nursery Lane then heading towards Ripponden town centre. The coach will stop at all required bus stops down into Ripponden then travel through Triangle to Sowerby Bridge. The coach will then turn left up Foundry Street towards Ryburn Valley High School. Again, the route will then operate in reverse order on the way home.

Therefore, passengers that usually catch the coaches on Rochdale Road last term will need to be on the **opposite** side of the road for collection to school from this term (September 2017). These passengers will then be dropped off again on the **opposite** side of the road from what they did last term.

PLEASE NOTE:

Timetable below is for guidance only. You can get on or off at any bus stop along the route. You must signal in a safe and clear manner to alert the driver to stop when waiting at bus stops or when your stop is approaching on the homeward journey.
